MLS WEBINAR

MetroTex Presents

Inroduction to Commercial RPR

Join us for a look at Commercial RPR (Realtor Property Resource). In this course we will walk through how to search the database multiple ways, an overview of the property information, using the map features as well as introduce creating commercial reports available in this program. In this webinar we will look at navigation as well as the following functions:

- Understanding the benefits of using Commercial RPR®
- Overview of the property detail page
- Overview of the map features
- Overview of an in-depth analysis
- Demonstrate what is the right location & best business
- And more!
