

## MLS WEBINAR

# MetroTex Presents

## Mobile RPR

(Realtor Property Resource)

Join us for a look at Mobile RPR (Realtor Property Resource) as you prepare to take it with you! With Mobile RPR you have access to the same great data and information right there on your smart phone! In this Webinar we will take a look at the following:

- Using your phone's location for nearby sales activity
- Navigation and use of the app
- Reading the property report overview
- Running different searches
- Use of mapping tools
- And more!
