MLS WEBINAR

MetroTex Presents

Surfing the Cloud

Join us as we guide you through the three different Cloud products; Cloud MLX, Cloud CMA, and Cloud Streams. Each one is intergrated with our Matrix MLS system to assist in streamlining the process of assisting your clients. In this webinar we will look at navigation as well as the following functions:

• Understanding the use and benefits of Cloud MLX

• Searching using Cloud MLX as well as Coud Streams

• Overview of the client features for all three products

• Creating and customizing a CMA report in Cloud CMA

• And more!
