MetroTex Presents Introduction to RPR

Completion of this webinar will be counted towards the M.A.P.S credit

Join us for a look at RPR (Realtor Property Resource). We will walk through reading a record, setting up a CMA, as well as introduce other reports available in this program. In this webinar we will look at navigation as well as the following functions:

- Understanding the benefits of using RPR®
- Understanding the difference between an AVM and RVM®
- How to create reports that can be used while in a listing presentation
- Introduce the tools available
- And more!
