

## MLS WEBINAR

# MetroTex Presents

## Intro to Matrix

Join us as we introduce the basic functions of Matrix and dive into the tools available to you. In this webinar we will go over the navigation of Matrix as well as the following functions:

- Home Page Widgets and how to customize them
- Basic Searching Techniques
- Searching using the speed bar
- Understanding and sorting the results page
- Setting up branding preferences and e-mail signature
- A quick look at the Quick CMA
- How to use the mapping tools
