

MLS WEBINAR

MetroTex Presents Realist Tax

Completion of this webinar will be counted towards the M.A.P.S credit

Join us as we show you how to navigate the Realist Tax system. In this webinar we will go over the uses of Realist as well as the following functions:

- Search property records by various criteria
- Search Bank Owned and Foreclosure properties
- Explore the rich integration with MLS data
- Search by map and utilize the mapping tools to customize your view
- Create and view CMA results
- Set up your personal options
- Produce mailing labels and other exports
