

MLS WEBINAR

MetroTex Presents Zipforms Online

Completion of this webinar will be counted towards the M.A.P.S credit

Join us as we walk through how to use Zipform, one of your options for forms library. We will look at navigating this program as well as the following functions:

- Locating forms available in the libraries
- Creating a transaction
- Adding forms to transactions
- How to integrate MLS data
- Uploading external documents to transactions
- Step by step E-signing through Zipform Plus
