

# HOW DO WE FIGHT FRAUD TOGETHER?

## WHO ARE WE

Property Shield is a cybersecurity firm focused on serving the real estate industry. We specialize in protecting **real estate companies** and **professionals** from **scams, brand impersonations, illegal occupancy issues, and data piracy.**

In the process, we have helped our clients, in 188 markets across all U.S, save over **\$1.5 billion in potential losses for renters while reducing their risk of trespassers by 83%.**

## HOW WE DEFEND YOUR PROPERTY

Scammers often attempt to use professional listing photos and addresses to create fake rental ads. This can lead to "ghost renters" showing up at your door, creating unnecessary stress and liability. Property Shield acts as your digital knight to stop this in its tracks:

1
